MAORA

THE MINI TRIMARAN DISMOUNTABLE FOR LEASURES

MAORA is a mini trimaran of 3 m and 68 kg, dismountable, transportable on the roof of a car. Lively, fast, agile and full of tricks it will provide you sensations that no other leisure sailing boat can offer.

Its non-haubaned rigging gives it power and flexibility. It is a very pleasant and safe sailing boat, always flat, even in gusts of wind. It can be used safely up to 15 knots of wind for beginners and 20 knots for more experienced sailors.

Features

- Self-emptying shell. 4 unsinkable elements in rotomoulded polyethylene.
- Length x width: 300 x 250 cm
- Height: 485 cm
- Draft: 20 cm
- Weight: 68 kg
- Buoyancy: 400 liters
- Maximum recommended load: 112 kg
- Max recommended number of people : 1 adult and 1 children
- Navigation category: D
- Certification and marking **CE**

KEY ADVANTAGES :

- Transportable, lightweight, can be assembled/dismantled by one person in 15 minutes.
